Resilient Cities 2017

DRAFT PROGRAM OVERVIEW

As of 05 April 2017

Wednesday, 03 May

- 9:00 – 19:00: Open European Day
- 9:30 – 17:30: EPIC - N Training
- 15:30 – 16:00: Resilient Cities 2017 Registration

Thursday, 04 May

- REGISTRATION
- **OPENING PLENARY**
  Resilient Cities 2017, the 8th Global Forum on Urban Resilience and Adaptation will include high-level plenaries, training, Reality Check Workshops and parallel thematic panel sessions which will feature discussions on a range of new and recurring themes related to urban resilience and urban adaptation to climate change. Continuing the discussions from 2016 Habitat III conference and the United Nations Climate Change Conference (COP22), Resilient Cities 2017 will support knowledge exchange and capacity building for resilient urban planning and local implementation of SDG11.
- Lunch
- Co-Event: Catalyzing climate resilient action (UNFCCC NWP)
- Poster Session
- PRESENTATIONS: Strategic partnerships to enhance urban resilience
- PANEL: Innovative strategies for water management in fast-growing cities
- PANEL: Urban Health in a changing environment: challenges & opportunities
- PANEL: Local implementation of SDG11: African cities perspective
- PANEL: Access to finance for sustainable and resilient projects
- Extended afternoon Coffee break
